Parents/Guardians,

Included in this brochure are community agencies which may be a resource for you and your family. Below are some helpful suggestions to use when you are contacting these agencies.

- It is important to explore several agencies so that you are able to select the one with which you feel most comfortable. This agency should have experience working with your specific concerns.
- Be prepared to explain what services you are seeking, and what your concerns are. You may be giving this information to an initial contact person, who will refer you to the appropriate department or staff person.
- You may want to get information about office hours, fees, insurance coverage, and sliding fee scales.
- To determine insurance coverage, contact your health insurance provider.
- For other help, contact one of the pupil service staff members at your child's school.
