ABOUT OUR SCHOOL

East Troy High School provides students with a top-notch education by ensuring a rigorous curricular experience that aligns with their career and college goals. We also support each student by offering award-winning co-curricular athletic programs, clubs, and activities that support students in their interests.

We place a strong value in community partnerships which support us in providing authentic learning opportunities for our students.

The combined efforts of East Troy students, staff and administration produce exceptional results as measured by our Career and Technical Education programming, student academic achievement, and co-curricular opportunities.

ABOUT OUR DISTRICT

The East Troy Community School District is a District of Choice, empowering students through Personalized Learning Environments, State and Nationally Recognized Academics, One-to-One Technology, and rigorous and relevant course work, that enhances critical thinking, creativity, collaboration, communication, content, and curiosity.

We are located in Wisconsin thirty miles southwest of Milwaukee, and sixty miles southeast of Madison.
