### School Building Tours

All the members of the Board of Education for the East Troy Community School District may be in attendance for school building tours on Tuesday, May 25, 2021. Therefore, a quorum of the Board may be present and gathered at various times during this period. Please note, however; that the “tours” are an educational workshop intended for the benefit of our school district by learning more about our educational facilities – learning environments and maintenance areas. As such, at no time will the School Board conduct governmental business or take any action.
