

2024 SUMMER SCHOOL BAND OFFERINGS

MARCHING BAND CAMP (8TH-11TH)

Marching band camp will be held in the month of August for all band members. During camp, students will be preparing a marching show for the regular school year. Camp attendees will be practicing marching basics, reading drill charts, preparing music, and much more! This class is required for all students who are enrolled in the Fall semester of High School Band. It is required because a marching show takes time and effort to put together. Without attending camp, a student would be severely behind at the start of the 2024 marching season.
