

# EAST TROY GIRLS YOUTH BASKETBALL

## 3RD-8TH GRADE

East Troy Youth Girls Basketball Club provides an opportunity that allows girls to develop basketball skills in a fun and developmentally appropriate way. We will practice a variety of skills along with keeping it fun for the girls. This program is designed to develop girls of all ages and abilities. Practices will be held 2-4 times per week depending on your age. Games are played on Sundays at Mukwonago High School (3rd and 4th grade) and Kettle Moraine High School (5th - 8th grade).

We fully understand and support multi-sport/activity players to be a part of our program. Our goal is to work with as many other youth sports programs as we can in East Troy so that the girls are able to participate in as much as they would like. We understand that conflicts arise and work with each individual family to give your daughter the best experience.
