

East Troy Music Department Performances 2022-2023

Welcome to the 2022-2023 school year. We hope it is a year filled with learning and fun! We, as the teachers of your children, would like to call your attention to the following concert dates. The participation of each and every child at every concert is crucial. Not only is their instrument or voice important to the total sound, but each child's participation affects the student seated next to him/her. One child's absence can have a domino effect on the whole group! **PLEASE make an extra effort to write these dates on your calendar and see that your children attend all of their scheduled performances. Individual teachers have their own policies for missing concerts.** Please check their requirements. The district online calendar will be updated if concert dates/times change.
