Principal Corner:

Lindsey Harris - Middle of spring assessment window for students; finish reporting and planning for fall; ABC Adventure is under full swing; field trips are coming for the end of year; Playmore/Public Library trips; Farm Animal Day is also coming; lots of internal positions are changing within the schools and interviewing is underway; THANK YOU for all of the staff appreciation treats!

Event Look Back:

Dance Party - was at Little Prairie this year; low cost as we used Brett Foster as a free DJ and leftover glow sticks from last year's event

Scholarship Awards - PTO Board unanimously chose Kayden Fridely to get the scholarship

First Fridays - tried a 50/50 raffle at our booth and the winner ended up donating the winnings back to the PTO - THANK YOU!

Staff Appreciation Week - 2894 on Main sponsored our cookies and coffee day; "Woot Woot Wagon" was a hit; district wide lunches were community funded and provided by Toothpicks Catering; Flower Day was a favorite again this year

End of Year Bash - smaller scaled event this year; too difficult to manage inflatables; PTO sponsored a face painter; decided to do Dunk Tank during First Fridays; PTO sponsored hot dogs, chips and cookies at no cost to families in attendance

East Troy Community Rummage Sale - PTO will participate in the sale and have many goodies available that were found in the PTO closet

Fall 2024 Fundraising - Next Level fundraiser will launch on September 16th with assembly to take place at the schools; Day of Awesomeness is scheduled for November 21st
