Agreement to Conditions of Use of Student Parking Lot

I agree to the following conditions for use of the East Troy High School parking lot and I understand that my parking privilege may be revoked upon any violations of this agreement or any and all traffic or criminal violations or violations of the Student Code Handbook.

- * The assigned parking permit tag shall be properly displayed when the car is in the parking lot.
- * Use of the parking permit relieves the school of any liability for damage, theft, or loss that may occur on the school district property to the vehicle and any of the vehicle's contents or accessories from any cause whatsoever.
- * The assigned parking permit is non-transferable. If the permit is no longer being used by the original purchaser, he/she is obligated to surrender the permit to the school without refund. Any tampering or unauthorized use of the assigned permit will result in revocation of the parking permit and associated privileges without refund and discipline by the East Troy Community Schools.
- * Upon revocation of the parking permit and associated privileges for any reason set forth herein, the purchaser must surrender the parking permit to the school immediately, without refund.
- * The parking permit shall be valid only when used with the vehicle(s) listed above.

Report lost or stolen parking permits immediately to the attendance office.
(The replacement cost is \$5.00)

Any vehicle parked in the lot not displaying a valid parking permit will be ticketed by the East Troy Village Police Department.
