Member Meeting Minutes

Call to order: 6:00 by PTO President, Heather Hendrickson

Principal's Corner:

- Mark Weerts for PV started with appreciation and gratitude for our school board, Dr. Hibner, staff members, and parents and guardians of students for getting back to school and all of the work that was done in order to get back to school as well as the days going forth. He stated that he doesn't want to say "no" right away to activities and stated that the school would still like to create memories for students, so just examining how we can still do these things. The new expectations of students have been good.
- Lindsey Harris for LP stated that she is proud of our students and how they have handled the changes and new expectations. Children are resilient, these changes have been harder on adults than children it seems. They will continue to remind students of the new expectations of distancing and mask wearing as with anything, over time, reminders are needed.

Past Events & New Business

- October PTO meeting will be a discussion of the PTO budget, we plan to continue with the budget.
- Outside events for PTO will still be held as long as businesses continue to be open, it will be by choice if people would like to attend or not.
- Meetings will be live streamed so others can attend virtually if they are not able to attend in person.
- Pumpkin carving- we will discuss and try to figure out how we can still do this at PV for students. It could be a possible recess rotation.
- Mark Weerts asked the PTO if they would be willing to buy recess supplies for teachers classrooms as recess looks a little different this school year.
- Birthdays at school- students will still get an ice cream, certificate and pencil on their birthday. The lunch room staff will have a list of birthdays for each day. The student can then get their ice cream delivered or picked up and taken back to their classroom.
- Fundraiser- we would still like to hold a fundraiser this school year, but plan to push it to the spring this school year.
